AI Customer Support Knowledge Base · SAS Nagar (Mohali), Punjab

This document is the structured knowledge source for the Quasar Salon AI customer support agent (RAG). It contains business information, the service menu with indicative pricing, hours, policies, FAQs, and location details. Content is organized with clear headings and short, self-contained paragraphs so it chunks cleanly for embedding into a vector database (Qdrant).

Note: Quasar Salon's real pricing is only shown inside its booking app. The prices below are illustrative placeholder figures (marked *indicative*) created for this project so the RAG system has concrete numbers to retrieve and answer pricing questions with. Replace them with real figures before using this in production.

1. Business Information

Business name: Quasar Salon

Tagline: "A Class Apart" — Mohali's most discerning salon

Quasar Salon is a luxury hair, skin, bridal, and spa studio located in Sector 79, Sahibzada Ajit Singh Nagar (SAS Nagar / Mohali), Punjab. It was founded by Aruna Rai Chauhan and Anmol Preet, in partnership with co-owners Varun Jain, Noor Khan, and Vikas Gulati. The salon has built a reputation over three years for senior-only stylists, premium product lines, and a strong culture of client discretion, including serving well-known public figures in Punjab's entertainment industry.

The salon deliberately keeps a small number of chairs so every guest is treated as the only guest for that appointment. All treatments are performed by senior stylists — the salon does not use trainee/junior stylists on paying guests.

Quasar has over 20,000 followers on Instagram (@quasarmohali) and holds a 4.9-star average rating on Google.
